THREE VALLEYS TOUR

An exclusive immersion of 0 days in the heart of Morocco

TRIP OVERVIEW & INCLUSIONS

We leave Marrakech to explore Berber villages and stunning natural landscapes during this full-day excursion from Marrakech. After pickup from your accommodation, we head towards the High Atlas Mountains. Your journey begins at the azure waters of Lake Lalla Takerkoust, the reservoir that supplies Marrakech with water from the melting snow of the Atlas peaks. There is an opportunity to visit the mausoleum of the famous Berber saint Moulay Brahim before continuing to the Berber village of Asni through Toubkal National Park. We then arrive in the Ourika Valley, where we pass through lush plantations and orchards before stopping to enjoy a delicious traditional tagine for lunch. Several hiking trails are available along the banks of the Ourika River, including a popular route leading to a series of seven waterfalls. Take this opportunity to experience the magical world of the High Atlas before returning to Marrakech.
